Brian was a terrific host who went above and beyond! We loved the house and location. We were three couples and two kids. Many nice touches, including seating at the shoreline, a well-appointed kitchen, nice linens, games etc.

The best place. The smells, sounds and sights were exactly what we were looking for. The house was spacious, calming and had loads of attention to details. The hosts were gracious, there if we needed them and gave us privacy completely. The paths to the rocks and ocean felt magical. The sunsets were breathtaking. Beach meadows, which...

I am a vibrant fun individual who enjoys life. I was a successful business owner who had an amazing career in making sure Seniors Live Independently and Safely in their own Home. How rewarding is that. Recently, my partner Stan and I were able to purchase a family home on the Atlantic Ocean in Beach Meadows, Nova Scotia that needed plenty of restoration. We took on the challenge and of course as usual, it takes longer and costs more...lol. I have lots of energy, travelled the globe (well, not all of it) many places, as a young person, hitchhiked all over Europe for 8 months, California...across Canada. Loved meeting interesting people along the way. Now, I am excited to be able to meet and greet travelers and be able to host them in our second home we just renovated. We are so pleased with the results of the new home that is available to our guests, the location is magnificent. Motto: Live Life to the Fullest !
